

2017 Support Prospectus

Making LIFE Better

It's what Arizona's Bioscience Industry is about and why the road from discovery to development to delivery is so important for people in Arizona and around the world.

Our Membership

AZBio is a not-for-profit, 501(c)6 trade association. Together with our Members we drive the Arizona bioscience industry's growth at the state, national and international level.

AZBio supports Arizona's bioindustry statewide as an the unified voice of the bioscience industry in Arizona. AZBio strives to make Arizona a place where bioscience organizations can grow and succeed by working collaboratively with AZBio Members and Partners in the fields of:

- Agriculture
- Business and Finance
- Construction
- Community Development
- Distribution
- Education
- Economic Development
- Energy
- Government
- Healthcare
- Information Technology
- Law
- Manufacturing
- Natural Resource Management and Conservation
- Professional and Workforce Development
- Research
- Testing
- Other professions involved in and supporting the biosciences

We also welcome students and K-12 educators at discounted rates encouraging Arizona's future bioscience leaders to get involved and stay involved throughout their careers.

AZBio is the exclusive state affiliate in Arizona of the Biotechnology Industry Organization (BIO), the national association for biotechnology companies, a member of AdvaMed, the largest association representing medical devices, diagnostic products and medical information systems manufacturers, and a partner with the Pharmaceutical Research and Manufacturers of America (PhRMA).

Our Industry

In 2003, Arizona's bioindustry clusters came together to form AZBio. A lot has happened since 2003.

We have seen the rise of new bioscience research institutes, and a network of incubators that stretch from Flagstaff to Tucson. Roche, Celgene, Merz, Fisher, IMS Health and others acquired innovative life science companies that were born in Arizona, and stayed to become partners in our community and partners for growth.

Life is better thanks to medical device innovations from global leaders like Medtronic and Gore and emerging leaders including Pinnacle Transplant, SynCardia, Ulthera, and Regenesys just to name a few. Arizona is leveraging its collaborative gene, with universities, companies, and institutions working together to target some of the world's biggest challenges in health and healthcare as well as agricultural and industrial bio-based innovations.

Arizona has evolved from a state with isolated pockets of biotechnology players to a top *emerging* bioindustry sector.

The job is not finished...it's only just beginning.

To make the transition from a top emerging market to a top tier bioscience state, we must work together from the State House to the lab and from the factory floor to the hospital ward. To take our place with global leaders means that we must lead in each phase, from discovery to development to delivery.

AZBio Members are in the business of embracing possibilities.

We have laid a solid foundation to build on by developing our research infrastructure, attracting great talent, and strengthening our economic environment in a way that says "Arizona is open for bio-business."

Now is the time to leverage our investments and build on them. We must move forward faster and we will by continuing to expand our research infrastructure and talent base with a focus on commercializing great ideas and delivering them to the markets that benefit from them the most.

The world needs what Arizonans can deliver.

Let's do it....Together!

AZBio is actively engaged and working for our Arizona Bioindustry

Inside Arizona

- ◆ Advocating for the bioscience industry at the State Capital and within local communities.
- ◆ Sharing Arizona's Bioscience stories with the media and shining a spotlight on local achievements and advancements
- ◆ Partnering with Arizona's state and regional economic development teams and technology organizations.
- ◆ Connecting our community with Angels, Venture Funds, Banks and alternative funding sources.
- ◆ Showcasing our community through monthly regional activities, statewide signature events and AZBio.TV.
- ◆ Supporting our future by partnering with Arizona educators from K-12 through our community college & university systems.

Outside Arizona

- ◆ Advocating for the bioscience industry at the Congressional level and with our Federal Agencies.
- ◆ Sharing member achievements globally via the media, press releases, our IN THE LOOP newsletter, AZBio.org and AZBio TV.
- ◆ Partnering with world class leaders to educate and inform on bioscience issues with BIO, AdvaMed, MDMA and PhRMA.
- ◆ Connecting with bioscience organizations regionally across the Rocky Mountain and Southwest to increase access to capital.
- ◆ Showcasing our community nationally at the BIO International Convention and other industry conferences.
- ◆ Supporting our growth by working with the Council of State Bioscience Associations to bring proven programs to Arizona.

AZBio will once again host Arizona Bioscience Week in 2017.

In 2017, AZBio collaborated across our region and nationally to bring family offices, investors, and Arizona's Biotech Community together. Companies got funded, researchers made connections, the Governor joined in and a state wide publication took our message of value and hope to over 125,000 leaders state wide.

We need your help and financial support to make AZBW 2017 a success and keep the momentum building as over 4,000 visitors will be joining us from BMES in 2017!

- ◆ Join the planning committee
- ◆ Provide financial support
- ◆ Reach out across your personal networks to engage and invite current and potential life science investors.
- ◆ Save the date and join us in October 2017!

Public Policy Initiatives

- ◆ Support the discovery, development, commercialization, delivery and availability of bioscience innovations that support the sustainability of our planet, our people, and our communities.
- ◆ Ensure that patients have access to the life-saving and life-changing innovations our industry creates.
- ◆ Increase access to capital for bioscience companies so they can grow and create more opportunity and jobs here in Arizona.
- ◆ Grow and attract great bioscience companies and institutions by creating a supportive tax and regulatory environment.
- ◆ Support K-12 Education programs that benefit our state as a whole and serve as a magnet to attract and retain a talented and productive workforce.
- ◆ Support Higher Education Funding.
- ◆ Promote University Research Funding and Technology Transfer Activity.
- ◆ Encourage Economic Development Programs that support our overall Business Climate.
- ◆ Serve as a reliable and trusted resource to our Legislators, Elected and Appointed Officials on issues and opportunities that affect our bioscience industry, our communities, and our state.

AZBio's Specific 2017 Policy Goals

- ◆ Educate the community and elected leaders at every level on the VALUE our industry delivers.
- ◆ Support Governor Ducey's plan to increase our University Research Infrastructure with a \$1B bonding initiative supported by State Fundig and a University Match.
- ◆ Expand and appropriately fund Arizona's Angel Investment and R&D tax Credits.
- ◆ Continue investments in University Research and K-12 Education with the next-gen version of Prop. 301 which created Arizona's Technology Research Investment Fund (TRIF).
- ◆ Support creative solutions to improve Arizona's educational systems at all levels including vehicles to provide internship opportunities for our future life science workforce and the educators who train them.

AZBio is the unified voice of Arizona's bioscience industry – at the national, statewide and local level.

Advocacy is a key responsibility of any industry association. The AZBio Government Affairs Policy provides a framework for the key concepts and initiatives that we, as AZBio, believe are critical to the growth of the bioscience industry in Arizona and nationally. AZBio is represented at the Arizona State Capitol by the Dorn Policy Group. Dorn Policy Group, Inc. is a leading professional public affairs firm serving Arizona and the Western United States. DPG team members provide strategic counsel and issue management. They also sign on behalf of AZBio on key measures affecting our industry as our contract lobbyist. At the national level, AZBio often works in partnership with BIO, AdvaMed, MDMA, and PhRMA.

Connections to...

- Hundreds of Innovators, Researchers, Entrepreneurs
- Leaders from Arizona's Business and Bioscience Sectors
- Arizona's elected leaders at home and in D.C.

Cost Savings & Resources

- Member rates at AZBio and National Events
- BIO Business Solutions & Member2Member Discounts
- Career Center, Industry Directories, and more.

AZBio Members Saved OVER 2 Million Dollars in 2017!

Core Members

0 -10	U.S. Employees	\$500
11-50	U.S. Employees	\$750
51-100	U.S. Employees	\$1,500
101-200	U.S. Employees	\$3,125
200+	U.S. Employees	\$4,000

The Core Member category includes companies that conduct research, develop, manufacture, or sell biotech or medical device and healthcare IT products.

The category also includes Hospitals and all classes of healthcare providers as well as non-profit organizations, universities, community colleges, municipalities, government agencies and Venture Capital firms and other Life Science Investors

Core Member Start Ups

Core Member Startups that, at the time of membership/renewal, have been in business for less than 2 years based on their date of company formation, may apply to receive a complimentary **Core Membership**.

Core Member Startups will be invoiced at Core Member Levels in the month when they pass the 2 year mark and annually thereafter.

Patient Advocacy Partners, Full-time Students, and K-12 Educators

Organizations or individuals in the roles above have the option apply annually for **AZBio Supporting Partner Status** and receive the benefits of AZBio membership on a complimentary basis.

Associate Members

<10 U.S. Employees	\$1,000
>10 U.S. Employees	\$4,500

The Associate Member category includes all companies that sell to or provide services to Core Members or otherwise have an interest in the industries.

This includes but is not limited to companies that provide products and services in the fields of: Financial Services, Legal Services, Human Resource and Talent Acquisition, Marketing and Communications, Logistics and Supply Chain, Realty and Facilities, Support, or other industries not qualifying as Core Members.

AZBio Supporters provide the resources that help us help you make Arizona a Top-Tier Bioscience State

Legacy Supporters:	\$25,000 and above
Chairman's Circle	\$15,000 - \$24,999
Leadership Level	\$10,000 - \$14,999
Supporting Partner Level	\$5,000 - \$9,999

AZBio Membership and support packages do not qualify under IRS rules as charitable donations.

Supporting AZBio is a way for your organization to support the growth of our Arizona Life Science Industry and to be recognized for your commitment. AZBio sponsorships offer a variety of exposure and recognition opportunities for your company while helping to build and support our life science ecosystem.

Support levels accrue annually and include recognition, your dues as an AZBio Member and a menu of benefits you can choose from. Based on your interests and support level, your support package may include: AZBio event sponsorships, AZBio event tickets, online or print ads, job postings, and more.

[Visit AZBio.org/Join](http://AZBio.org/Join) for more information and to Join AZBio

Developing Resources

Since its inception in 2003, AZBio has received generous support through a broad range of corporations and community partners.

Now in its second decade of operation, AZBio has aggressive goals to reach in delivering value to the bioindustry that is gaining momentum in our state.

To achieve these goals we must continue to garner community support in the form of grants, fee for service contracts, sponsorship, and active participation from our Members. The more resources AZBio earns and receives from committed partners, the more we can reinvest in our community through AZBio benefits and services.

In 2017, AZBio reinvested your support in

- ◆ The AZBio Expo in 2017 was focused on how the convergence of information technology and the life sciences are driving innovations in health and healthcare delivery.
- ◆ Arizona Bioscience week which brought together over 1,000 community members and visitors
- ◆ The 11th Annual AZBio Awards that was attended by over 500 leaders from across Arizona.
- ◆ Executive and administrative support so that we are accessible when YOU need us.
- ◆ Resources for advocacy at the state and national level and face to face interaction with the leaders who shape the policy that affects our industry
- ◆ Regional and state-wide events to connect and engage our community.

Creating Partnerships

At AZBio, we value our partners. You've told us how we can continue to improve. We are listening and acting on it.

One of the things we have learned from you is that you want to help us succeed and that you need a return on your investment of financial support, affiliate programs and/or in-kind services.

Our AZBio Support Levels are based on YOUR annual support of AZBio including your AZBio Membership Dues. We will work with your team to then craft the package of benefits that make sense for you and for your business so that your AZBio membership creates value.

Craft your 2017 Support Benefit Package

- ◆ Weekly recognition of your support on AZBio IN THE LOOP.
- ◆ Branded Recognition at ALL AZBio Signature Events and Gatherings .
- ◆ Tables/Tickets at AZBio Signature Events throughout the year.
- ◆ Higher levels of visibility through ads, videos, and on stage presentations.
- ◆ Opportunities for active leadership engagement in roundtables and committees.
- ◆ Branding your organization as a leader in the Arizona Biosciences community on AZBio.org and AZBio.TV.

Level of Support	Annual Aggregate Commitment including Membership dues
Legacy	\$25,000 and above
Chairman	\$15,000 to \$24,999
Leadership	\$10,000 to \$14,999
Supporting Partners	\$ 5,000 to \$ 9,999
Community Partners	Organizations with an approved in-kind agreement

Thank You to all of the AZBio Members and Supporters who make what we do possible!

Signature Events

AZBio Expo

March 28 & 29, 2017
Marriott Buttes

Join leaders from across Arizona's Bioindustry as they connect, share ideas, engage in discussion and move us forward.

Kick Things off at Spring Training and the VIP Reception!

Showcase your research, products and services as an Exhibitor.

Gather information in Keynote and Panel sessions.

Connect and engage with Arizona's health and bioscience community, the media, and potential partners and investors.

AZBIO AWARDS

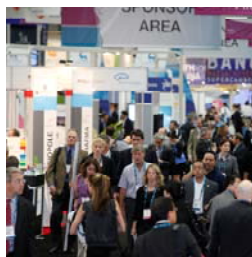

October 11, 2017
4 PM to 9 PM
Phoenix
Convention Center

It's the peak of Arizona Bioscience Week and the Arizona Bioindustry's big night when we celebrate success, preview new ideas, and showcase great companies.

Join us to celebrate and connect with leaders from across our community as we recognize 2017's best and brightest at our statewide industry gala.

- ◆ AZBio Pioneer Award for Lifetime Achievement
- ◆ Fast Lane Awards for Growth
- ◆ Educator of the Year
- ◆ Researcher of the Year
- ◆ Bioscience Leader of the Year
- ◆ Bioscience Company of the Year

Arizona Pavilion

June 19-22, 2017
BIO International
Convention
San Diego

Each year, AZBio and ACA, the Arizona Commerce Authority,

introduce the world to the Arizona Biotech Community at the Bio International Convention. Join us at BIO 2017 in San Diego to make connections, attend educational sessions, showcase your company and help us show the world that Arizona offers a wealth of opportunity for bioscience firms ranging across the continuum from discovery to development to delivery.

Trailblazer Awards

December 14, 2017
11AM to 1 PM
Phoenix Country Club

Meet the legislators, and elected officials who made the biggest impact on behalf of Arizona's Bioindustry in 2017.

We'll be watching throughout the year, tracking progress, and sharing the results. Join us as we shine the spotlight and say thank you at this Member appreciation luncheon and event. Connect with:

- ◆ Bioscience Company Leaders
- ◆ AZ Legislators
- ◆ Mayors and Council Members from Arizona Cities and Towns

Connect—Engage—Learn

Throughout the year, AZBio holds and supports regional events in Northern, Central and Southern Arizona.

Contact AZBio to learn more about supporting these great opportunities to connect, engage, and learn.

- Member Open Houses and Beer & Bio
- Educational sessions
- Executive Round Tables
- Student Outreach Events

Support of AZBio regional events applies towards your Annual Support Level.

Advertise With AZBio
