

# 2018

Average percent of  
Arizona  
kindergarten  
students who are  
immune to measles.

(BY LEGISLATIVE DISTRICT)

INSET

Anything less than  
95% puts your  
community at risk;  
You need at least  
95% for herd  
immunity;  
Help keep measles  
out of your district!

## Legend

Percentage of students

Lower than 93	93 to 94.9	95 to 96.9	97 or Higher
